

## 2016-2017 Application for Diversity Scholarship

### Scholarship Award

The diversity scholarship award is \$15,000 and a paid 2016 summer position in one of the firm's domestic offices. The scholarship may be renewed if an offer is extended and accepted for the full 2017 summer associate program.

### Eligibility

Scholarship recipients must be enrolled in an ABA-accredited law school in the JD class of 2018, must meet Finnegan's hiring criteria (a degree in life sciences/chemistry, engineering, or computer science, or substantial prior trademark experience), and must contribute to enhancing diversity. We define diversity broadly. Successful applicants have included members of racial, ethnic, disabled, and sexual orientation groups that have been historically underrepresented in the legal profession.

### Application Process

Students must submit an application, resume, official or unofficial transcripts (law school grades should be forwarded once received), and a 1-2 page personal statement. The personal statement should include a description of how the applicant will contribute to Finnegan's practice and diversity mission. Applications will be accepted from December 1, 2015 through January 25, 2016.
