Whereas presently before the Court is a motion, filed jointly by all defendants, asking the Court to dismiss for failure to join a co-owner of the patent (which the parties, and the Federal Circuit, frame as an issue of standing) – it being well settled that a patent infringement action cannot be maintained unless every owner of the patent is a plaintiff, and the matter having come before the Honorable Colleen McMahon, United States District Judge, and the Court, on April 28, 2015, having rendered its Memorandum Decision and Order granting Defendants’ motion to dismiss the Complaint under Rules 12(b)(6) and 12(b)(7) of the Federal Rules of Civil Procedure with prejudice,
