**CLERK'S MINUTES: PROCEEDINGS OF
HEARING ON STANDING**

10:05AM Court called to order. Proffer by Mr. Christaldi. Proffer by Mr. Speed.

12:05 PM Lunch recess.

1:20 PM Court back in session. Mr. Christaldi believes that standing is a technical issue, and requests that this matter proceed to trial on Monday or soon thereafter. Mr. Speed requests that the Court find that the Plaintiffs have no standing and that adding a party cannot cure or provide a remedy. The Court finds that the amended agreement cured the prudential standing issue. The Plaintiff, at their discretion, may move for leave to file an amended complaint. In the event that leave is granted to file an amended complaint, trial in this matter would be continued. Parties inform the Court that they are ready to proceed to trial on Monday April, 30, 2012. The Court will set aside 7 days for this trial (3.5 days per side); the trial will be in recess on Tuesday, May 8, 2012. Parties are to exchange their witness and exhibit list 24-48 hours prior to trial commencing.

2:35 PM Court is adjourned.
