Defendants.	:	
_____	:	

THIS MATTER having been brought before the Court pursuant to Rule 56 of the Federal Rules of Civil Procedure and Local Civil Rule 56.1 upon the Motion of Dr. Reddy’s Laboratories, Ltd. and Dr. Reddy’s Laboratories, Inc. (collectively “Dr. Reddy’s”) for Summary Judgment of Noninfringement of United States Patent No. 6,926,907 (**dkt. 347**), the Court having considered all papers filed in support of and in opposition to Dr. Reddy’s Motion, having heard oral argument on April 6, 2016, and having concluded that Dr. Reddy’s naproxen and esomeprazole magnesium products as set forth in Dr. Reddy’s ANDA No. 204206 will not infringe the asserted claims of U.S. Patent No. 6,926,907,

IT IS THEREFORE on this 12th day of May, 2016,

ORDERED that Dr. Reddy’s Motion for Summary Judgment (**dkt. 347**) is **GRANTED**, and it is hereby further

ORDERED, ADJUDGED, AND DECREED that none of the claims of United States Patent No. 6,926,907 has been or can be infringed by the importation, manufacture, use, sale, and/or offer for sale of Dr. Reddy’s naproxen and esomeprazole magnesium

products as set forth in Dr. Reddy's ANDA No. 204206; and that such importation, manufacture, use, sale, and/or offer for sale of Dr. Reddy's naproxen and esomeprazole magnesium products as set forth in Dr. Reddy's ANDA No. 204206 would not induce or contribute to the infringement of any of the claims of United States Patent No. 6,926,907.
