v.	)	
	)	
COKEBUSTERS USA INC.,	)	
	)	
Defendant.	)	

**[COKEBUSTERS' PROPOSED] FINAL JUDGMENT  
PURSUANT TO FED. R. CIV. P. 54(B)**

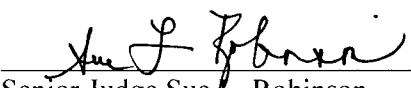

1. The Court enters final judgment on Quest Integrity USA, LLC's ("Quest's") claim for infringement of claim 30 of U.S. Patent No. 7,542,874 ("the '874 patent"), and on Cokebusters USA's ("Cokebusters") counterclaim for declaratory judgment of non-infringement of claim 30 the '874 Patent, in favor of Cokebusters and against Quest, as set forth in the Court's Memorandum Opinion and Order of March 28, 2017 (D.I. 356, 357) and Memorandum Order of June 30, 2017 (D.I. 373, ¶ 6).

2. The Court enters final judgment of invalidity of claims 12, 24, 30, 33 and 40 of the '874 Patent pursuant to 35 U.S.C. § 102(b) on Cokebusters' counterclaim for declaratory judgment of invalidity, in favor of Cokebusters and against Quest, as set forth in the Court's Memorandum Opinion and Order of March 28, 2017 (D.I. 356, 357) and Memorandum Order dated April 7, 2017 (D.I. 364).

3. Pursuant to the Court's May 15, 2017 Order (D.I. 368) and June 30, 2017 Memorandum Order (D.I. 373), all other issues, including Cokebusters' counterclaim for declaratory relief that claim 40 of the '874 patent is not infringed, have been bifurcated and stayed pending appeal.

4. The Court finds, for the same reasons why the Court stayed and bifurcated the remaining claims (D.I. 368, 373), that there is no just reason for delay of an appeal of the summary judgment determinations, an appeal will promote efficient judicial administration, and will not result in any unfair prejudice to the parties.

IT IS SO ORDERED this 12<sup>th</sup> day of July, 2017.
