CASE NO. 6:15-cv-201-JRG-KNM

JURY TRIAL DEMANDED

ORDER

Before the Court are Plaintiff Flexuspine, Inc.’s (“Plaintiff”) Rule 72(a) Objections to Magistrate’s Order (Doc. No. 196). Although Plaintiff requests expedited briefing on this matter, the Court does not feel additional briefing will aid it in reaching its ruling. After reviewing Plaintiff’s objections, the Court finds the Magistrate Judge’s rulings are neither “clearly erroneous [n]or contrary to law.” 28 U.S.C. § 636(b)(1)(A); FED. R. CIV. P. 72(a). Accordingly, Plaintiff’s objections are **OVERRULED** and the Magistrate Judge’s Order (Doc. No. 192) is hereby **ADOPTED**.

So ORDERED and SIGNED this 11th day of August, 2016.

RODNEY GILSTRAP
UNITED STATES DISTRICT JUDGE
